A LITTLE ABOUT KLC

On May 5th, 1980, Kerbey Lane Cafe opened its doors for business, operating out of a small house on Kerbey Lane in north-central Austin. We've always sought to serve food with local roots that is also delicious, homemade, healthy and affordable while providing a welcoming and memorable experience to all who come through our doors.

These simple principles have helped grow Kerbey Lane Cafe from a single location into a community of restaurants spread across the Austin area.

From classics like Eggs Francisco to eclectic seasonal dishes; we offer thoughtful, high-quality food at prices accessible to just about anyone. Our commitment to quality and freshness is paramount; every day, Kerbey Lane staples such as queso, refried black beans, salad dressings and salsa are prepared in-house.

We proudly serve all-natural beef, sausage, ham and chicken; and many of our breakfast dishes are made using cage-free eggs. We value quality and seek to partner with vendors we know and trust; striving to work with local purveyors as often as possible. Here are a few of our local partners:
